Paddock (Dry) per day-\$11.00

Paddock (wet) per day-\$12.00

Box Stall-(Dry) per day-\$16.00

Box Stall-(Wet) per day-\$18.00

### **Additional Fees:**

Foaling fee - \$250

Rebreed Service fee - \$250 on second and subsequent rebreeding under Live Foal Guarantee.

Shipped Semen - \$400\* (Collection, container and shipping costs)

\*Additional **Frozen semen upgrade** fee - \$300

Booking fee - \$250 (Included in Stallion's fee – Required at time of Booking).

I Hereby agree to breed: Mare \_\_\_\_\_ reg.# \_\_\_\_\_

Year foaled \_\_\_\_\_ herein after referred to as the "Mare".

\_\_\_\_\_ To the Stallion – "Latigo Cat" by High Brow Cat, hereinafter referred to as the "Stallion", for the Breeding fee of \$750.

\_\_\_\_\_ To the Stallion – "Chi Chic Kaboom", hereinafter referred to as the "Stallion", for the Breeding fee of \$750.

---

1. **Stallion Fee** stated above **includes** a non-refundable **Booking Fee** of \$250.00 (to be deducted off the Stallion Fee) and shall be payable upon execution of this contract.

- There is an additional **\$400.00 chute fee** per collection – should semen be requested.
- There is an additional **\$300 frozen semen fee** - should frozen semen be requested.

2. For On Site Breedings there is an **optional** additional **\$250.00 Veterinary Flat Fee available**. This includes all palpations to determine ovulation and AI breeding as well as a pregnancy check at 18 days. This fee excludes any necessary reproductive drugs. Otherwise, your own personal vet will be received at Fieldstone Farm for any mare care required such as ultrasounds for determination of ovulation, insemination, and pregnancy check at 18 days.

3. The balance of the stud fee as well as boarding fees or any other fees owing are payable when haul in mares are leaving the farm or before shipping the first shipment of semen.

4. The mare owner agrees that when delivered to the farm, the mare will be healthy, de-wormed within 2 weeks of arrival and in sound breeding condition and up to date on all shots. A copy of both sides of the registration papers must accompany the mare. To help in the expediency of pregnancy a negative culture (Uterine swab) is recommended. The Mare owner will also provide any necessary information pertinent to past breeding issues relevant to getting the Mare in foal.

5. Mares bred will be cared for with the utmost attention paid to the well being and care of Mare and any foal she may have at her side. However, the Mare owner waives all claims against Terry and Carmene St Pierre of Fieldstone Farm in the event of sickness, or death in either Mare and/or foal from matters beyond the reasonable and ordinary control of Fieldstone Farm.

6. Fieldstone Farm diligently tries to impregnate the Mare and the Mare owner agrees to give Fieldstone Farm ample opportunity to due this successfully. (i.e to rebreed the Mare through three (3) heat periods.)

7. If the stallion dies, or becomes unfit for breeding in the opinion of Fieldstone Farm and their veterinarians, this agreement will immediately terminate with the stud fee returned (Minus the booking,

veterinary fees and any boarding, drug expenses accrued to date thus far). The Mare owner as well as the stallion owner shall be released from any further obligation under this agreement.

8. In the event the Mare does not successfully produce a live and healthy foal (on the second and any subsequent rebreed attempts) - a rebreed service fee of \$250.00 will be charged.

9. If this contract is for shipped semen, the stud fee, shipping fee and container fee are payable to Fieldstone Farm. Full payment is required before any semen is shipped.

10. All costs incurred regarding shipped Cooled/Fresh or Frozen Semen and disposable Semen Container as well as Courier are extra & above the stallion fees and will be incurred by Mare owner before shipping semen.

11. Fieldstone Farm strives to ship the best quality semen with the fastest transport available. Mare owner holds Fieldstone Farm harmless if semen becomes lost or damaged due to issues beyond control of Fieldstone Farm.

12. Mare owners agree to inform Stallion owner at beginning of heat.

13. Semen requests MUST be received 24 hrs prior due to shipping.

14. Remember there may be a time zone difference that could affect shipping.

15. Mare owner agrees that a licensed veterinarian that is qualified and experienced in the use of shipped semen will inseminate the Mare with ALL the semen within 24hrs but not more than 48hrs after collection of Stallion.

16. This contract shall be binding upon the parties hereto, upon execution hereof, and the same may not be altered or amended, except by written by mutual consent of both parties.

17. Signed contract and copies of the mare's papers and all financial requirements must be sent back.

18 We accept Paypal and deposits to the Royal Bank of Canada where money wires can be directly deposited as well as personal cheques. We will soon be accepting payments through VISA and Mastercard.

Mare Owner - Signature and Date

---

Stallion Owner/Agent - Signature and Date

Please note: We will accept Email copies, signed and scanned. Email to [fieldstonefarm@xplornet.ca](mailto:fieldstonefarm@xplornet.ca) (contracts require signature). Provide contract upon drop off of mare.

We will make every effort to have semen available when required. Please keep us well informed about your mare's cycle. The more notice we have the easier it is for us to arrange collection of stallions that are showing.

*We will work with you as it is just as much our goal to get your mare in foal, as it is yours. Thank you for choosing our excellent stallion for your breeding program!"*
